Houston, TX – Almost one million of Harris County’s registered voters will be eligible to vote in elections conducted during the May 9, 2015 Uniform Election, according to **Harris County Clerk Stan Stanart, the chief elections officer of the county.** Early Voting begins Monday, April 27th.

“Fifty political entities whose boundaries are solely or in part in Harris County have scheduled an election” said Stanart. **“These include 21 cities, 11 independent school districts, 17 utility, service or improvement districts and one college district.”**

The County Clerk’s Office is conducting three of the May 9 elections: the Klein ISD Bond election along with the joint election for Humble ISD and the City of Humble. Voters residing in these three jurisdictions can find Early Voting, Election Day voting locations, and view a sample ballot at www.HarrisVotes.com.

Forty-seven political entities are conducting their own election. **“Voters should know that during the May Election cycle, sovereign political jurisdictions within the County can order an election and can conduct an election without the involvement of the County Clerk’s Office,”** said Stanart. The cities include Missouri City, Deer Park, Friendswood, Galena Park, Hedwig Village, Hillshire Village, Hunters Creek Village, Jersey Village, Morgan’s Point, Pasadena, Pearland, Piney Point Village, Seabrook, Shoreacres, South Houston, Southside Place, Stafford, West University Place, Waller and Webster. The Independent School Districts (ISD) include Alief, Clear Creek, Deer Park, Goose Creek, La Porte, New Caney, Pasadena, Pearland and Spring Branch. The Municipal Utility Districts (MUD), Service Districts (SD), Improvement Districts (ID) and Emergency Service Districts (ESD) include Chelford City MUD, Faulkey-Gully MUD, Trail of the Lakes MUD, Westador MUD, HC MUD 122, HC MUD 200, HCMUD 217, HC MUD 248, HC MUD 536, DOWDELL PUD, Stafford Municipal SD, HMW Special UD, HC ESD 16, HC ESD 21, Waller-Harris ESD 200, HC ID 15 and HC ID 17. The only college district conducting an election is Lee College.

As a service to the voters of Harris County, the voter **Election Day Poll search** on www.HarrisVotes.com will display the **May 9th elections for which a voter is eligible to vote**, if the entity provided Harris County notice of their intent to hold an election on May 9, 2015. The entity website and contact phone numbers, as provided by the entities, are also displayed as a result of the voter search on www.HarrisVotes.com.

“To obtain Early Voting and Election Day information for entities holding elections not conducted by my office, voters are encouraged to use the search result’s web link or phone number to contact the entity directly,” concluded Stanart.
